INDEX TO VOLUME THREE (Original Articles)

Adenomas, of the colon and rectum, 523
Amebiasis, surgical significance of, 297
Aneurysms, aortic, associated intra-abdominal lesions encountered during resection of: surgical considerations, 485
Antisepsis, intestinal, dangers of, 305

Book reviews, 82, 381
Bowel, small and large, rectal complications of inflammatory disease of the, 94

Cancer, of the colon and rectum, dissemination of: special reference to four cases of local implantation in perianal wounds, 117
of the colon and rectum, carcinoma of the ovaries, secondary to, 352
of the rectum, 194
of the rectum, functional results that follow sphincter-preserving operations for, 210
Carcinoma, of the colon and rectum, the relationship between polyps and, 336
of the colon, a cytologic method of diagnosis of, 230
of the ovaries, secondary to cancer of the colon and rectum, 352
squamous cell, of the anal canal following multiple hemorrhoidectomies, 219
Clamp and cautery, appraisal of: review of 1,000 cases, 55
Colitis, ulcerative, immediate and late results of anal ileostomy after total proctocolectomy for, 42
ulcerative: indication for surgery and types of operation, 347
Colon, a cytologic method of diagnosis of carcinoma of the, 230
mouse, an electron microscopic study of, 423
rectum and anal canal, parasitic disease of the, 313
submucosal lipomas of the: experience with 12 cases, 1
submucous lipoma of the: review of the literature and report of four cases, 145
surgery, gastrostomy in, 33
the role of antimicrobial agents in 130 surgical procedures performed on the, 497
volvulus of the, 403
Colon and rectum, adenomas of the, 523
cancer of the, carcinoma of the ovaries, secondary to, 352
complications of surgical procedures on the, occurring during the immediate postoperative period, 418
dissemination of cancer of the: special reference to four cases of local implantation in perineal wounds, 117
major surgery of the: rehabilitation and survival rate in 2,457 patients, 393
surgery, cardiovascular complications of, 37
the practical application of intestinal antisepsis of surgery of the, 491
the relationship between polyps and carcinoma of the, 336
Colostomy in surgery of infants and children, 149
Corticosteroid ointments, use of, in the management of postoperative anorectal wounds, 50

Disturbances, chronic intestinal and other, of amebic origin, 152
Diverticulitis, massive hemorrhage from, 441
surgical management of sigmoido-vesical and sigmoido-uterine fistula complications, 446

Editorial: a place in the sun, 97

Fissure, anal, occurring in infants and children, 161
Fistula, anal, in infants and children, 258
sigmoido-vesical and sigmoido-uterine, complicating diverticulitis, surgical management of, 446
vesicocolic, 103

Gastrostomy in colon surgery, 33

Hemorrhage, massive, from diverticulitis, 441
postoperative, 25
Hydrocortisone acetate, topical treatment of anorectal inflammations with, 250
Hypnosis and its use in proctology, 262

Ileostomy, anal, immediate and late results of, after total proctocolectomy for ulcerative colitis, 42
Infections, staphylococcus, in hospitals, 9
Intestine, large, polypoid lesions of the: differential diagnosis from the polyps, 130

Leiomyoma of the rectum: report of a case, 65
Lipoma, submucosal of the colon: experience with 12 cases, 1
submucous, of the colon; review of the literature and report of four cases, 145

Martin, Collier Ford, 243
Melanoma, anorectal, malignant, treatment of, 15
of the anal canal, 159
of the rectum: report of a case, 241
Memoirs:
Jordan, Sara M., M.D., 268
Krause, G. Lynn, M.D., 84
Krolicki, Thaddeus A., M.D., 268
